Mark E. Miller, CPPO, CPPB, C.P.M. - Chairman  
Allison M. Canada, CPPO, C.P.M. - Vice Chair  
R. Allan Gorsuch, Ed.D. - Manager

## RENEWABLE / ENERGY PROJECTS UPDATE FORM

**INSTRUCTIONS:** In the columns below, please identify any metered facilities by account number where you expect to use significantly less electricity next fiscal year as the result of a solar or geothermal project. Please indicate the estimated annual **reduction in Kwh** that ESMEC-ET will need to purchase on your behalf.

Trust Participant:

Date:

| Facility Name | Location/Account Number | Project Type | Effective Date | Estimated Kwh Reduction |
|---------------|-------------------------|--------------|----------------|-------------------------|
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |
|               |                         |              |                |                         |

**Person Completing Form:**

Name:

Position:

Telephone:

Fax:
